Reduction in Man-hours on Project 10.403.

- 1. In reference to your memo of 30 July regarding changes in Area-Mide Projects 10.401, 10.402, 10.403, and 10.404 the new deadlines have been noted.
- 2. By reason of cancellation of Project 10.h03 (East Germany) this Branch has reduced its man-hours estimate by 35 hours. This amount corresponds to a reduction in time for writing a separate project on East Germany. The remaining research time (115 hrs) on East Germany will be applied on Project 10. 401 (European Satellites).
